EXPLORE
YOUR SCOTTISH
ANCESTRY

† Discovering more about your family roots, and your ancestors' journey through history to the present day, is a truly unique experience and provides you with a lasting legacy for years to come.

At Kilted Cousins Family Trees we immerse ourselves in your family history by searching out records worldwide, including birth, marriage and death certificates. We can offer you a range of avenues to explore with a bespoke package to suit your needs.

SCOTTISH FAMILY TREE

Discover your history and learn about your relatives.

Through careful and detailed researching of certificates and records we can create your personal Family Tree. There could be a surprise in your Scottish roots somewhere; ensuring hours of great conversation.

Your Family Tree will be beautifully presented on a chart or an image of your choice.

SCOTTISH FAMILY HISTORY

Bespoke Research-Enhance your knowledge.

Perhaps you would like to explore specific branches of your family history in more detail. You may want to learn more about careers, war history, the lifestyle of a family member or locations where the family lived.

Unearth surprises and find evidence to support family stories with our bespoke service.

SCOTTISH ANCESTRAL TOUR

An experience to savour and share with your family members.

A favourite choice of service particularly for those who have Scottish Ancestors and don't live in Scotland themselves. If you are planning a trip here, we can arrange an experience you will never forget by visiting* homes of your ancestors, their schools, family land and other places of interest.

Why not couple the tour with visits to castles, distilleries and the great Scottish landscape? Create a real family experience now.

WHAT OUR CLIENTS SAY

Discover what our genealogy clients say about their experience with us and their own journey of discovery.

“My wife was over the moon with her present, she loved it. The presentation book looks fabulous.”

Norman, Aberdeen, Scotland

“I am amazed that you were able to research our family in all the countries you did. Your tenacity in finding out what happened to my father’s entire side of the family was most appreciated.”

Barbara Kent, New York

“I would also like to add that the amount of work involved for the price was truly value for money. Thanks Yvonne! I will certainly recommend you to all our friends.”

Mr & Mrs Kerr, Scotland

PACKAGES & OPTIONS

Kilted Cousins works closely with partners across Scotland who provide a range of services which complement ours, including Chauffeurs, Tour Guides, accommodation providers etc.

We offer the option of set research packages as detailed on our website, but quotes are available on request for a more bespoke service, including tours.

Please ask Yvonne for more details and a quote.

“ Yvonne was instrumental in providing information which was integral to successfully setting up my father-in-law’s 100th birthday commemorative website. Research included essential background information about life in Govan from 1914-1927, as well as helping us fill in important gaps in our family tree. She investigated with tremendous tenacity. The website has been very popular with the latest generation of Robertsons. ”
